

ANNUAL ALL-NIGHT PARKING PERMIT APPLICATION 2010-2011

Annual all-night parking permits are valid per fiscal year, which is July 1st through June 30th.

Any person desiring an annual all-night parking permit can apply in the event that their residence does not supply sufficient parking for multiple vehicles, i.e. there are more vehicles parked at their residence on a permanent basis than there is space to park them (two-car garage and a total of three vehicles or two-car garage and two-car driveway and a total of five vehicles).

- An application must be submitted to the Community Development Department.
- The application must be completely filled out and submitted along with the current registrations for ALL vehicles parked at the subject location.
- All registrations must be current and registered to the subject address. If the registrations do not have the current address, proof of Duarte residency will be required.

The parking permit shall be displayed in plain sight on the driver's side of the rear bumper of the vehicle, and the permit shall not be effective unless so displayed.
